Hydrotherapy body treatments

Customized Salt Glow - Feel renewed by a gentle salt scrub that brings new life to your skin. \$ 98

A blend of salts and essential oils, exfoliate your skin removing dead cells and impurities stimulating circulation. This treatment will cleanse, hydrate, renew, and detoxify your skin bringing back its natural softness and radiance. We use different essential oils depending on your needs. (Citruses: uplifting and refreshing. Lavender: calming and relaxing. Peppermint and Eucalyptus: Invigorating; among others.) To compliment the process we apply a moisturizer.

Coffee Body Scrub - Engage your senses with this invigorating and firming body treatment. It reduces the appearance of cellulite and smoothes the skin. \$ 120

Pamper the coffee lover in your life with this caffeine infused inspiration. Our invigorating Coffee Body Scrub is a unique blend of fresh ground coffee and brown sugar. It removes dead skin, boosts circulation, and smoothes rough areas. Caffeine is known to tone and firm skin. When applied topically, caffeine may help redistribute fat cells and decrease the formation of cellulite. It also may aid in tightening and shrinking blood vessels.

Body Mud Masque Body Wrap – Soothe, Heal and Cleanse body and Mind with the healing proprieties of warm Dead Sea Mud blended with essential oils. A full body treatment followed by the application of moisturizer. \$ 120

The natural healing proprieties of Dead Sea Mud, and selected Clays are blended with essential oil (French Lavender) and extracts (Damiana, Marigold, German Chamomile, Lime tree, Cornflower and St. John' Worth) which are rich in anti-inflammatory, desensitizing, healing proprieties. These blends create a creamy but firm body mud treatment to leave your body firm, detoxified and balanced. To compliment the process we apply a moisturizer.

Azulux SEA SPA™ MENU

FACIALS

Deep Pore Cleansing Facial “A necessity for all skin types!” \$ 120

The skin is cleansed followed by a mild exfoliation; impurities are carefully extracted; a light lymphatic massage and calming facial mask closes the treatment leaving your skin fresh and clean.

Acne Facial – “For very congested and acne-prone skin” Oxygen is first infused, aiding in the extraction process and the battle against free-radicals and bacteria. A soothing anti-inflammatory mask is then applied. \$ 130

\$ 65

Express Facial - Quick and effective treatment to revive and rejuvenate your look

Consists in Microdermabrasion-style exfoliation followed by soothing and regenerating products.

Hydration Treatment – For dry and thirsty skin –Strengthen the cells and aids the skins' ability to retain water. The skin is exfoliated to promote new cell growth, and maximize the absorption of a replenishing ampoule. \$ 65

Hyper-pigmentation treatment. \$ 65

Lightens Dark spots and evens skin tone. A mild chemical or ultrasonic peel followed by tyrosinase inhibiting and brightening agent. Recommended in a series of 3 to 6 weekly treatments. Sun must be avoided, and sunscreen is applied during the treatment. (30')

Glycolic Peel \$ 50

Dissolves dead cells, smoothes the skin, promotes growth, moisture retention, collagen and elastin production. Excellent for reducing fine lines and aids in the removal of dark spots. Recommended in series of 4 to 6 weekly treatments. Sun must be avoided, and sunscreen is applied during the treatment.(30')

Enzyme peel – Leaves your skin Smooth and bright- For sensitive skin \$ 45

Breaks down dead skin cells without peeling or flaking of the skin. Recommended in series of 6 weekly treatments. Sun must be avoided, and sunscreen is applied during the treatment. (20')

Adds-on
